### EDITOR'S NOTE:

The editor has endeavored to provide the transcription below as an accurate depiction of the spelling, misspelling, grammar and prose of the original artifact, so that original practice and then-common usage is reflected in the transcription.

However, the editor has had to apply an extensive amount of judgement and interpretation of the content of the original artifact. In the event, some marks on the original artifact may or may not be punctuation marks; they may be the result of dirt or smudges in the original.

Reader discretion is advised.
