INTRODUCTION

This document captures and publishes one piece of correspondence (hereafter, “artifact”) from the collection of World War Two correspondence of Harry William Manchester, of Essex County, Ontario, Canada. Harry spent six years in the Canadian Army, in Ontario, England, and as a prisoner of war held in Poland; and during that period wrote extensively to his relatives and friends. The extensive correspondence Harry wrote to his sister, Mrs. Elton Newman of Cottam, Ontario, Canada was preserved by her, and constitutes the bulk of this correspondence collection.

As correspondence, this artifact contains a wide variety of properties, which reflect its content, markings, and references.

The purpose of this document is to capture that content, markings, and properties, so that the artifact may survive in this published form or be transferred to another form, and also to preserve the timeline of historical events in the context of Harry William Manchester. Photographic images of the original parts of the artifact are included in this document, and the reader is encouraged to review those images.

Sat. Morn.

Dear La Verne:-

I guess you know I have left Camp Borden. last week-end. I got a letter from Frances yesterday & she said she was talking to you on the phone that morning. (last sun.). I guess she was sort of upset when I phoned her from Camp & told her I was leaving.

We had a picnic planned in London, Ont. for this week-end. I was supposed to meet them there.

I was awfully sorry when I couldn't see you 2 weeks ago when I was home. But I fully understand why you couldn't come over. I ~~was~~ could have sneaked over there in Civilions. If it hadn't been for the pasports. At least I think I could have.

How is the Woods family & also little Jimmy. He told Frances the last time he was down. That he was going to stay with her a while this summer. Hope he does. She & the girls will be in their glory if he does.

Well there isn't much I can say ~~xxx~~ these letters as to were I am. As the people are not supposed to know until we reach our destination. We really don't know ourselves where we are going from here If you phone Franc. She'll probably tell you were I am. Don't worry about me anyhow. I'll always take care of myself.

It's raining a little this morn. But we have had real nice & sunny weather. every since we've been here (Tues. nite) The two days on the train was good weather too.

Well it will soon be dinner time. So I'll have to hurry this letter. When I reach my destination I'll send you my address. ~~Unil~~ Until then send ~~it~~ my letters to ~~as~~ Sex. Scots. Regt. Base P.O. Can. Please write as soon as you get this letter. & let me know how you are. I guess I'd better close for now.

As Ever

Your Brother
